AIR 158-UPSC CSE 2022

Dear Apti Plus Team,

I would like to thank you all for the help extended during my UPSC-CSE Journey. The management has been extremely cordial in the entire duration, especially in the personality test phase. The mock interview and the personalised day question bank was amazing and helped me a lot. Thank you once again!

Best wishes,
Chaitanya Khemani (AIR 158)

UPSC CSE 2021

Hello everyone!!

I'm Shubham Shukla and have secured AIR 43 in UPSC CSE 2021.

I have a lot of people to thank and the team at Apti Plus is one of them. I have been associated with them via their Mains test series which was one of the best and of notch series of answer writing.

I was also part of their interview program which helped me score a very high 193 in interviews.

Thank you Team Apti Plus & Goodluck!!
Yours Truly,
SHUBHAM SHUKLA

AIR 50
UPSC CSE 2021

I had a great experience with Apti Plus. I had joined their Mains Test Series. The feedback given in the test series helped me immensely to fine tune my answers. I was a reader of the IAS Gyan magazine too and found it a great supplement for organised current affairs preparation. I also had attended the offline mock interview of Apti Plus. The experience was great. The organisers were very cordial but more importantly, the interview feedback session was extremely detailed. Anujit Sahoo Sir of Apti Plus was very cordial and made sure my overall experience was very positive. All in all, I would strongly recommend Apti Plus for serious aspirants.

FEATURES OF THE PROGRAM

Unleash Your Potential with our Exciting Program Features:

8 High Quality Tests

This component has been designed so as to ensure not only content development and enhanced answer writing skills for the aspirants but also to enable them to develop multi-dimensional analytical perspectives across all themes. It will help aspirants master the art of writing answers such as structure and presentation, learn how to present knowledge with contextual, structural and language competency, understand the keywords / context, approach towards attempting questions, understand their current preparedness and identify their strengths and weaknesses and work upon them in a concerted manner.

Features of Test Series Program:

- A clear-cut detailed schedule of the Tests.
- Strictly adhering to UPSC pattern and standard
- Sectional Tests to ensure that aspirants can cover each subject comprehensively in sufficient time and can evaluate his/her performance through the tests.
- Full-Length Mock Tests to evaluate the overall preparation level.
- Detailed analysis of Tests based on Level of Difficulty makes it easier for aspirants to evaluate their performance that strategize their preparation accordingly.

Prerequisites:

- Learn the key point of syllabus and be disciplined in your preparation.
- Read the syllabus thoroughly.
- Analyze the previous year papers.
- Keep the sources limited.
- Periodic revision is a must.
- Do not attempt tests without preparation.
- Sufficient time allocation for answer writing (via mocks).
- Allocate the months and schedule your days and weeks well in advance.

FEATURES OF THE PROGRAM

What Aspirants should do?

- Whatever that you read, try to summarize in your own words at the end of the day.
- Dedicate an hour or two each day to practice answer writing.
- Follow daily current affairs from a limited source to keep oneself updated.
- Religiously and consistently follow one source of newspaper daily.
- Pick up one test paper, attempt it and read all the solutions, highlighting the important ones.
- This will help you in memorizing the content as well as condition you to attempt appropriate number of questions. Further, these tests would also add up as your notes.

Outcome:

- Clarity regarding how much time they are going to contribute to each question (both in terms of thinking and writing down of the answer).
- Continuity and linkage between different parts.
- Answering the 'question' rather than a 'topic'
- Uncluttered presentation, underlining of key content, heading of sub-parts, diagrams/ flow-charts.
- Inter-topic linkages, catchy terms, facts and figures, case studies/ illustrations/ anecdotes.
- Balance between one's own view points on one hand and technical jargons, research studies, expert views on the other hand.
