Aspirants will have the following benefits reflected in their answers

01 Clarity regarding how much time they are going to contribute to each question (both in terms of marking the answer).

02 Continuity and linkage between different parts.

03 Uncluttered presentation, underlining of key content, heading of sub-parts, diagrams/flow charts.

04 Answering the 'question' rather than a 'topic'

05 Inter-topic linkages, catchy terms, facts and figures, case studies/ illustrations/ anecdotes.

06 A balance between one's own viewpoints on one hand and technical jargon, research studies, and expert views on the other hand.
